

Teri Subich
Senior Technical Support Staff
Nanofabrication Research Laboratory
Center for Nanophase Materials Sciences
Oak Ridge National Laboratory
(865) 574-5634
subichtr@ornl.gov

Education

University of Tennessee-Knoxville Communications B.S., 1984

Professional Experience

2005 – Present Senior Technical Support Staff, Center for Nanophase Materials Sciences, ORNL

1996–2005 Technical Support Staff, Electronic Systems Section, Engineering Sciences and Technology, ORNL

1986–1995 Engineering Assistant / Senior Illustrator, Monolithic Systems Section, Instrumentation and Controls, ORNL

1980–1985 Graphics Assistant, Centrifuge Prototype Testing Group, Separation Systems, Oak Ridge Gaseous Diffusion Plant

Honors and Awards

2009 AVS International Symposium & Exhibition, Art Zone 1st Place Co-Winner

2008 Awards Night, Science and Technology Winner, Center for Nanophase Materials Sciences, Nanofabrication Research Laboratory

2002 Significant Event, Instrumentation and Controls, Program Development

2000 Significant Event, Instrumentation and Controls, Biennial Information Meeting

1998 Significant Event, Instrumentation and Controls, CASTLE Image Analysis

1997 Awards Night, Operations and Support, Smart Badge Design
